Thanks go to Margaret Meidlinger and Julie Mattingly who have been serving the homebound over the past years. We are in need of ministers who are willing to take the Eucharist to the homebound. If you think of someone let me know and I will call them. Extra homebound lists are located in the narthex and there are extras for you to take with you. Any other items for the homebound will be left on the cupboards on the east side in the narthex. We welcome Sharon Orton who will be serving at 9:30 a.m. Mass.

Mother Teresa said “ When you look at the crucifix, you understand how much Jesus loved you. When you look at the Sacred Host you understand how much Jesus loves you now.”
